Cattaraugus N.Y. Sept. 4. 60

Dear Mr. Garrison: -

Your letter
came duly to hand, but just
as I was about to start for
Chesville, on Sat. last, I had
a very violent attack of
cramp in the stomach - a
liver difficulty probably - that has
frustrated me, though I like
for only a few days. I have
been out a little today, & I
trust I shall be able to attend
to the matter assigned me
by the last of this week, though

if I should not be I will
send a faithful anti-slavery
man from here in my
stead. The distance, I think,
is only about 46 miles—two
thirds of the way by R. R. With
our kind regards to yourself
& family, I am

Most cordially Yours

Wm. H. Fish

Mr. Lloyd Garrison.

P. S. We want an Anti-slavery
Convention here very much
this autumn or in early winter;
if a series is projected for the
next we ~~hope~~ you will

include Catland. All
would be delighted espe-
cially to see you here again.
I wish, too, we might hear
from Mr. Heywood, whom
I have never yet seen. Don't
overlook us in any tour west-
ward.

I will report from
as Hot Springs.
